Cash Drawer Bundle

Designed to work exclusively with Atriuum, Book Systems' Cash Drawer Bundle includes a compact cash drawer, thermal receipt printer, and required cables.

Cash Drawer Features:
- Heavy-duty ball bearing slides
- Two media slots
- Removable insert and coin tray
- Adjustable bill and coin dividers
- Drawer open/close sensing switch output
- 3-position key lock

Receipt Printer Features:
- 22 RPM (Receipts Per Minute)
- Drop-in paper loading
- Auto-cutter; cuts receipt paper when finished printing
- USB and Cash Drawer cables included
- 3 Year Warranty

To ensure high reliability, the cash drawer is made with an all-metal frame and is reinforced with metal beams to support heavy top loads. The unit uses ball bearing slides, normally only found in expensive cash drawers, for smooth and long-lasting operation.

The cash drawer will remain securely closed until a fine receipt is printed through Atriuum. When the fine receipt begins to print, the cash drawer automatically opens to receive payment.

Benefits of buying a receipt printer from Book Systems:
- Guaranteed to work with Book Systems' Software
- Programming assistance provided
- Lifetime support by Book Systems' technicians without additional support fees
